WELCOME TO FACTWEB!

FACTWeb is the portal that allows you to manage your personal and organization data, your accreditation application and process. The information below will help you understand the FACT inspection and accreditation process, manage tasks, and register for educational sessions.

As a FACT inspector, you serve the critical role of verifying compliance with the FACT Standards. Your profile is intended to make this significant task manageable. From this web page, you can access information regarding FACT educational events for which you have registered and requirements for maintaining active inspector status. Keeping on top of these important duties has never been easier!
