FOR IMMEDIATE RELEASE

November 10, 2020

FOUNDATION FOR THE ACCREDITATION OF CELLULAR THERAPY TAKES FIRST STEP IN TRANSITION TO ENHANCED WEBSITE WITH NEW EMAIL DOMAIN

OMAHA, Neb. — FACT is pleased to announce the first step in efforts to transition to an enhanced website with the establishment of a new email domain. “With the objective of business development in a global market, FACT has registered the domain name factglobal.org. On **December 1, 2020**, all FACT emails will be issued from the new factglobal.org domain,” said Alisa Forsythe, FACT Information Technology Business Analyst.

To ensure a smooth transition, all emails addressed to the UNMC based email addresses will receive an automatic reply announcing the domain name change and beginning on December 1, 2020 the emails will be forwarded appropriately.

The following is a comprehensive list of each address change.

Contact	Current Email Address	New Email Address

About FACT

Founded in 1996, FACT establishes standards for high quality patient care and laboratory practice in cellular therapies and regenerative medicine. FACT is a non-profit corporation co-founded by the International Society for Cellular Therapy (ISCT) and the American Society of Blood and Marrow Transplantation (ASBMT) for the purposes of voluntary inspection and accreditation in the field of cellular therapy. FACT promotes improvement and progress by establishing minimum standards, providing education, and inspecting and accrediting programs worldwide.
